## From the Chair

by Ann Dies

The PRPA photographic year is drawing to a close, the Summer Solstice is just around the corner and the days will begin to steadily get shorter and we will be heading into winter. Aaargh! Not looking forward to that! I hope to enjoy the summer spending quality time with family and friends. Fall is the culmination of our farming season. We're hoping that we will be getting some more rain and it will be a bountiful harvest. Time will tell.

The Outing this year is being hosted by the Gleneath Camera Club at Ghostown Blues Bed and Breakfast in Maple Creek. Thanks to the Gleneath members for putting it all together. Hoping for a sunny weekend with lots of photography opportunities and a chance to catch up with friends.

The Board has no resolutions to bring forward to the AGM this year. We are working on an instruction booklet for the clubs as a resource when hosting an Outing. This will be made available in the near future. We're hoping that it will make the process a little simpler. If anyone has any ideas of things that could/should be added, please let someone on the Executive know. Their contact information is available on the back page of the latest Prairie Focus which can be found on the website at [www.prpa.photography](http://www.prpa.photography).

My term as Chairperson is coming to an end in June. I would like to thank the Executive for their support throughout my tenure. They have made my life easier by their willingness to volunteer for committees, offer advice and help when I stumbled and give me gentle reminders about club procedures. I appreciate your help.

I also thank club members for your participation in the club – entering competitions, attending meetings as either club reps or guests. Our club would be non-existent if you weren't part of it. A big thanks to those who judged the competitions and to those who coordinated the judging, compiled the results, and forwarded it all to the Competition Coordinator. I will enjoy viewing the results at the Outing. A perfect culmination of the year's efforts.

I hope that you all enjoy your weekend. A prairie photographic experience this year. Take lots of pictures and "Adopt the pace of nature: her secret is patience." ~Ralph Waldo Emerson

Thank you all.

Photographically,  
Ann Dies, PRPA Chairperson

## Competitions Report

by Gwen McNichol

This is my final year as Competition Coordinator. It has been challenging and interesting, well worth the time spent fulfilling the duties of coordinator. I also enjoyed connecting and becoming friends with PRPA members. I have even succeeded in stretching my knowledge of photography.

We had a total of 457 entries this year compared to last year's total of 527 entries, a decrease of 70. The biggest decrease was in the Gerry Fish Club competition, which last year was 50 entries from 5 clubs and this year only 2 clubs entered with a total of 20 prints. People have told me that it is difficult to get even 10 prints submitted by their clubs, one reason being the cost of printing and mounting them and maybe it is just easier to enter digital competition. Hand of Man was down 26 entries from last year and the Outing had 29 entries less than last year. Entries in the individual print competitions increased by 25.

There are just a few reminders for next year:

- ◆ Please remember that you cannot enter a photo in more than one competition—individual or club competition—in the same PRPA year.
- ◆ Check the criteria for the competition you are entering. We have clarified the definition of Nature to strictly exclude **'any sign of man'**. The portraiture categories are listed in Everest, Gerry Fish and Portfolio Print as "Best Portrait" therefore we are allowing portraits of animals as well as people. The Human Portraiture competition is only humans!!

I would like to thank our Chairperson Ann for answering all my questions, intelligent or stupid! And a big thank you to the rest of the members of our board. I have enjoyed the time I have spent with you and your friendship is important to me. The club reps are also extremely important members of this organization and talking to them or keeping in touch by email or texting has been rewarding as well.

Have a great time photographing the beauty of Maple Creek and the surrounding area, and I hope to see you all again next year.

# Print Circuit Report

by Maureen Sinclair

It seems like just yesterday that I was writing up the Spring report! All of the circuits are back but there is a small scoring issue with Circuit #2 and their results will be reported in the Fall PF.

I have had one new member sign up for the Fall round but would like a couple of back up names if you are interested.

The binders will be at the Outing and hopefully all members will have had a chance to give them a look over. By the time you read this, the fun and games at Maple Creek will be done and we will be heading into a new year.

Have a wonderful summer with many photo ops!

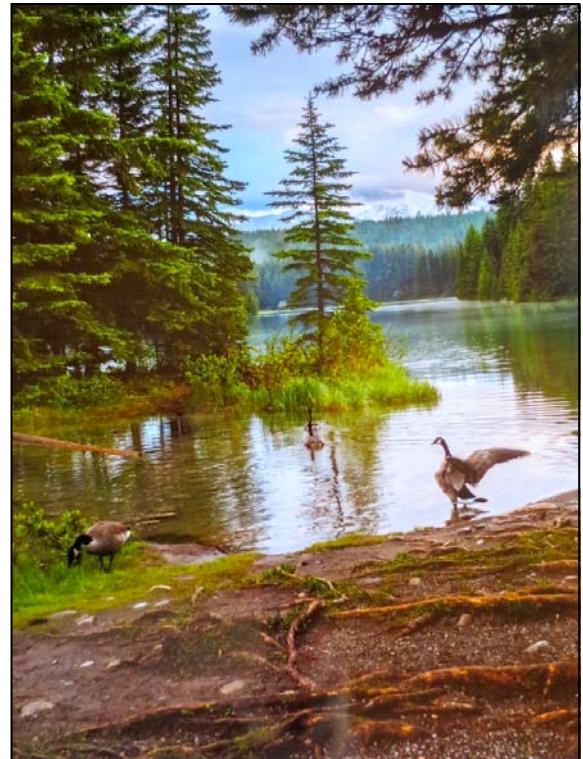

## Results for the Fall 2017 Round

### Circuit #1

- 1<sup>st</sup> *Truck Bumper Reflection* – Curtiss Lund
- 2<sup>nd</sup> *Two Jack Lake—Find Four Geese* – Gayvin Franson
- 3<sup>rd</sup> *Fire in the Sky* – Marlene Anderson

### Circuit #3

- 1<sup>st</sup> tie *Mighty Mossie* – Jim Turner
- 1<sup>st</sup> tie *High Tide, Hopewell Rocks* – Jim Turner
- 2<sup>nd</sup> *Sunset Coots* – Stan Hingston
- 3<sup>rd</sup> tie *Glorious Gold* – Kay Mierendorf
- 3<sup>rd</sup> tie *Bad Hair Day* – Kay Mierendorf

## Saskatoon Camera Club

### Report by Maureen Sinclair

The Saskatoon Camera Club continues to meet each Tuesday evening from September to May with the home base being Mayfair United Church. Each month one week is set aside for actual shooting and about five critique nights are held on assigned themes. This year the themes were: Canada at 150, Saskatoon-Nutana, Song Titles and Circle of Life. The fall field trip was to Gardiner Dam and area and the city parks and streets were the venues for several of the outdoor shoots. Tabletop and portrait shooting rounded out the activity nights.

Club presentation nights involved guest presenters and the immense in-house knowledge around topics such as composition, light, travelling Saskatchewan, photo projects, creating a body of work and portraiture using natural light. The evening when members show and are judged on their competition slide shows is always a favorite meeting with many guests attending.

The club is experimenting with seating people around tables rather than in rows to facilitate member interaction and hopefully make it easier for newcomers to meet the old guard.

As well as the shooting date, the club has two pure social evenings. In December we hold a potluck party, which this year featured a best Christmas sweater contest, and in May a year-end banquet and awards night. This year we met at Queen's House Retreat for a lovely evening. The one sad note was saying goodbye to our very capable president, Jacqui Ferguson and her partner Michael Murchison as they are leaving the city (and province!) for career reasons.

Although the official year has ended, the club does go out shooting during the summer months and this year the first destination was the grounds of Queen's House. Information on further summer events can be found on the web site or on the Face book page. A members-only group on FB is also a good source of information. The photo below shows a group of members enjoying the view of the river and the great weather on June 19.

## Archives Report

### by Shirley J. Gerlock

This past year has been very interesting in the field of the PRPA Archives. I used the long tables in our church hall to sort into years the many boxes that I have accumulated from past members and from the many, many meetings I have attended as a member, a committee member, and as an executive member.

I found out I attended my first Outing in Medicine Hat in 1979. I remember this distinctly as they had a pen of rattle snakes there. It was my first viewing of this species.

At that meeting I was asked to be the person who held the many slide boxes of past entries in the many competitions; it was like a library of such that clubs could request for viewing. As the Archives do not want these, they are in my garage. I am soliciting what I am to do with them as well as the many trophies? Any suggestions?

The lady from the Archives was pleased that I had sorted everything into years. This summer I am getting boxes from her so I can pack the articles I have and then I will be turning over all that I have to date to them for safe keeping.

It is amazing to see the many changes that have been made over the years, from a \$5.00 membership fee to that of \$25.00. That the Outings have nearly stayed the same, hosted by different clubs and their members, taking their fellow photographers to their favourite places to capture images, that used to be done on slide film, to print film, both black and white, to digital.

In the early years of the 70's when this organization was in its infancy, they had movies. Our own Arnold Foster showed film of his many trips, both to the Regina Photo Club and to PRPA. He was a long time member of the PRPA and travelled to the Outings with his wife in his big car and camping trailer.

If any members out there have articles that might be of interest of the Archives, please arrange for them to come to me.

Thank you,

*Shirley*

**Editor's Report**  
by Stan Hingston

Welcome to the Summer issue.

First, let me apologize to the Saskatoon Camera Club for inadvertently bumping them off the Member Club list on the back page of the Spring issue. I was able to fix it for the website version but was too late for the paper copies.

Note the change to the Foothills Camera Club website on page 14. Also the new PRPA club rep for Foothills is Dan Sigouin.

I print 30 paper copies of the newsletter. I now charge \$.25 per page for printing which this year totalled \$14 + gst for the 4 issues. Postage adds significantly to the cost, although I mail copies to the club reps to distribute to their members, which saves a bit. So for those choosing paper copies, up to \$20 of your \$25 membership fee goes to cover the newsletter.

I apologize again for the Spring issue being so late. It came out in early June instead of April. I'll try better to keep on target next year. I understand how busy everyone is, but I really appreciate those who send me their reports when first requested, without needing a reminder (or two).

Enjoy the rest of the summer!

Nothing much new to report at this time.

Remember you can find the Handbook, current bylaws and all the competition rules in the Downloads menu at the top right of the Home Page.

Two promotional items are located in the Downloads section. The brochure is a 1 sheet, 4 page color handout describing PRPA and its programs. Print a few and keep on hand to share with friends when telling them about PRPA. The PRPA Promo is a slideshow available in PowerPoint or PDF which can be used in a presentation to a group, like your camera club, in promoting PRPA. Both were created a few years ago by Stan Hingston.
